MSDS PRODUCT INFORMATION

Date: 10/07/2005
To: MSDS Requester
From: 3E Company
Subject: The MSDS you have requested

☐ MSDS NOT REQUIRED

In response to your request for a Material Safety Data Sheet, according to the OSHA Hazard Communication Standard (Right-to-Know), the following item is an article. Articles are defined in 29 CFR 1910.1200(c). Products such as Drugs, cosmetics, food, or alcoholic beverages, wood or wood products, and tobacco or tobacco products, as defined in 29 CFR 1910.1200(b)(6), are exempt from the Hazard Communication Standard. Items that are considered articles, as defined in 29 CFR 1910.1200(c), are also exempt from this Standard. Therefore, the manufacturer is not required to provide an MSDS for this product.

☐ MSDS DISCONTINUED PRODUCT

In response to your request for a Material Safety Data Sheet, the manufacturer has discontinued the product listed below. The MSDS Attached is the most current version, or an MSDS is no longer available.

☐ MSDS BEST COPY AVAILABLE

The MSDS attached is the best copy available from the manufacturer.

☒ MANUFACTURER NO LONGER IN BUSINESS

In response to your request for a Material Safety Data Sheet, a current MSDS could not be obtained for this product. It has been determined that the manufacturer listed below is no longer in business. A current address and phone number could not be located.

Manufacturer: Dexol Division of Ringer Corporation
Product Name: Dexol Grass Out Systemic Weed Killer

MATERIAL SAFETY DATA SHEET
(Complies with OSHA CFR 1910.1200, ANSI Z 400.1-1993)

SECTION 1: Chemical Product & Company Identification

Product Name(s): Dexol® Grass Out Systemic Weed Killer

EPA Number: 2217-751-192

Manufacturer Name & Address: Dexol, a division of Verdant Brands Inc. 9555 James Avenue S., Ste 200, Bloomington, MN 55431

Telephone Contact Number & Hours of Operation: (612) 703-3300, 8:00 a.m. - 5:00 Central Time

Emergency Telephone Contact Number: Chemtrec 800-424-9300

SECTION 2: Composition/Information on Ingredients

| <u>Hazardous Ingredients</u> : | % by | | OSHA | PEL | ACGIH | TLV |
|---|--------|------------|-----------|--------|-------|------|
| | weight | CAS No. | TWA | STEL | TWA | STEL |
| Fluazifop-p-butyl | 1.7 | 69806-50-4 | NE | NE | NE | NE |
| trimethyl benzene (mixed isomers) | <40.0 | 25551-13-7 | 25 ppm NE | 25 ppm | NE | |
| proprietary solvent/paraffinic distillate | <55.0 | 64741-89-5 | NE | NE | NE | NE |

* all ingredients in quantities > 1.0 % (0.1 % for carcinogens or teratogens) that are potentially hazardous per OSHA definitions

SECTION 3: Hazards Identification

EMERGENCY OVERVIEW

Physical description: light brown liquid

odor: mild, solvent-like odor

Physical Hazards: Liquid is flammable; extinguish all ignition sources

Potential Health Effects: This material may be severely irritating to the eyes and moderately irritating to the skin. Personnel responding to a spill of this material should wear appropriate protective clothing to avoid skin contact or inhalation of particles to prevent toxic effects.

SECTION 4: First Aid Measures

Skin Contact: Wash with plenty of soap and water. Get medical attention if irritation persists.

Ingestion: If swallowed, promptly drink large amounts of water. DO NOT INDUCE VOMITING. Never give liquids to an unconscious person. Get medical attention.

Eye Contact: Immediately flush eyes with water for at least 15 minutes. Seek medical attention.

Inhalation: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

NOTES TO PHYSICIAN: Symptoms may appear within a few minutes or up to 12 hours (rarely longer) after exposure. If induction of paralysis with muscle relaxing agents is required for intubation, SUCCINYLCHOLINE SHOULD BE AVOIDED because of potential prolonged duration of paralysis secondary to pseudocholinesterase inhibition by the organophosphate. Treating physician should also be aware of concomitant toxicity of petroleum solvents.

SECTION 5: Fire Fighting Measures

Flash point: 95° F (CC)

Explosive limits (%): LEL: 1.1 UEL: 7.0

Extinguishing media: Water, dry chemical or foam.

Unusual fire/explosion hazards: Vapors are heavier than air, can flow along surfaces to distant ignition sources, resulting in flashback.

Protective Equipment: Use NIOSH/MSHA approved SCBA and bunker gear.

Thermal decomposition: Oxides of nitrogen, CO, CO₂, NH₃, halogen acids, carbonyl halide may be formed in a fire situation.

NFPA CODES: FIRE: 3 HEALTH: 2 REACTIVITY: 0

SECTION 6: Accidental Release Measures

Spills: Extinguish all ignition sources, adsorb material with appropriate sorbent. Reuse material if possible. If original containers are not available and material is not reusable, place in metal drum and seal. Dispose of in accordance with instructions in Section 13.

SECTION 7: Handling & Storage

Storage: Store in well-closed, upright containers in a cool, dry, well-ventilated area out of reach of children. Do not contaminate water, food or feed by storage or disposal. Do not reuse container.

Handling: Avoid breathing vapor or particles. Avoid contact with skin or clothing. Remove pets, and cover fish aquariums before applying.

SECTION 8: Exposure Controls & Personal Protective Equipment

Skin: Protective gloves required; applicators should wear long pants and long-sleeved shirt

Eye Protection: Goggles or faceshield recommended

Respiratory: Engineering controls may be needed; if industrial hygiene surveys show that occupational exposure limits may be exceeded, use NIOSH approved respirator with organic vapor/dust/mist cartridges, or mechanical ventilation.

SECTION 9: Physical & Chemical Parameters

Boiling Point: >110° C

Melting Point: N/A

Vapor Pressure: 2 mm Hg (solvent)

Evaporation Rate: N/A

Vapor Density: 3.6

Solubility in Water: Emulsifiable

Specific Gravity: 0.88

Appearance and Odor: Light brown liquid; mild solvent odor.

pH: 4.9

Bulk Density: 7.41 lbs/gallon

SECTION 10: Stability & Reactivity

Stability: Stable

Incompatibility: Avoid contamination with water, acids or alkalies.

Conditions to avoid: excessive heat

Hazardous polymerization: will not occur

SECTION 11: Toxicological Information

Note to Consumers: Information provided in this section is oriented to medical and public health professionals involved in the assessment and treatment of excessive and/or accidental exposures.

Symptoms of overexposure may include: headache, blurred vision, nervousness, weakness, nausea, cramps, salivation, respiratory difficulty, muscle twitches, convulsions, loss of reflexes.

Oral Rat LD₅₀ = 2.98 - 4.93 ml/kg Dermal Rat LD₅₀ = >2 ml/kg

Not a contact sensitizer, although may cause dermatitis.

Carcinogens: None listed per OSHA, NTP, or IARC.

SECTION 12: Ecological Information

Ecotoxicity: May be hazardous to aquatic invertebrates. Do not apply directly to water; do not contaminate water by drift, runoff, or cleaning of equipment or disposal of washwaters.

Environmental Fate: no data

SECTION 13: Disposal Considerations

This material (as packaged) is not considered a hazardous waste. Be aware that the waste owner has responsibility for final disposal.

Regulations may also apply to empty containers, liners or rinsate. Laws may change or be reinterpreted; state and local regulations may be different from federal regulations. This information applies to materials as manufactured; contamination or processing may change waste characteristics and requirements.

SECTION 14: Transport Information

DOT Hazard Description: Consumer Commodity, ORM-D

SECTION 15: Regulatory Information

CERCLA RQ: n/a

SARA Title III: n/a

Individual States: States such as Pennsylvania, New Jersey, California, Vermont, Massachusetts and Rhode Island may all have components of this product listed; consult specific state regulatory requirements for additional information.

SECTION 16: Other Information

For additional information, refer to the American Conference of Governmental Industrial Hygienists (ACGIH) documentation of TLV's (Threshold Limit Values) for individual components and the DOT Emergency Response Guidebook.

This information is provided in good faith, but without express or implied warranty.
